All the sparkling Corpinnat wines and still wines from Torelló have their origin in the vineyards of Can Martí. The 135 hectares, estate associated with the Torelló family since 1395 and located in the fertile region of Penedès.

Torelló produces Corpinnat long aged sparkling wines, still wines from DO Penedès, Marc and extra virgin olive oil.

CORPINNAT TORELLÓ COLLECTION 2010

Varieties: 37% xarel.lo, 36% Macabeo and 27% Parellada, from our vines of Can Martí estate.

Harvest: 2010. The harvest arrived a little late, because of the rain and low temperatures during the spring. It stretched the grape collection until the beginning of October. The harvest was very good for the white wines and the base wine for the sparklings, providing wines with very good acidity, fresh, dry, very aromatic, expressive and with moderate alcohol content.

Production: It is a small production of 612 standard and 56 magnum bottles. The grapes come from low-yielding vines and the harvest is always done by hand. The grapes are harvested in 25 kg boxes or small 2,500 kg trailers, with rapid transport to the winery, selection of the grapes on a sorting table and gentle pressing. First fermentation of the must with our own spontaneous autochthonous yeasts. Second fermentation in the bottle.

Our presses work with Inertys technology that protects the must from oxidation during the pressing phase.

Aging: 10 years of aging in the bottle. Each year the *poignettage* is carried out – bottle's shaking -. Thus, the yeasts are suspended and the effects of autolysis are favoured, enriching aromas and flavours.
