DENOMINACIÓ D'ORIGEN

### THE CAN MARTÍ ESTATE

The Can Martí estate belongs to the Torelló family since 1395 (14th century) and occupies 135 hectares in Gelida (Alt Penedès). The soils are clay-calcareous (limestone) and 80 hectares are ecologically cultivated with 11 distinct varieties. The harvesting is done manually in boxes of 25 kgs, pallets of 200 kgs or small trailers of 2,500 kgs.

### THE 2022 HARVEST

The 2022 harvest on our Can Martí Estate started on 4th August, 5 days earlier than usual because of the drought and the rapid maturing of the earlier varieties, and ended on the 14th of September. Since the end of the spring and throughout the summer we have had 4 severe heatwaves. In 2022 we have had between 20% and 30% less production of grapes – depending on the variety – compared to the previous year due to the intense drought, but that said, the health of the grapes has been impeccable together with a balanced acidity, will let us make great quality still and sparkling wines.

### VARIETIES

58% Xarel·lo and 42% Chardonnay from our Can Martí estate.

### PRODUCTION

The grapes pass through the sorting table and are then gently pressed in pneumatic presses. Only the first fraction of the pressing (also called “flower must”), the highest quality, is used. We use Inertys technology in the presses to protect the must from oxidation during this phase. Fermented and aged in french oak barrel, and battonage. Aged in bottle.

### PRESENTATIONS

75 cl. and Magnum.

### TASTING NOTE

Old gold coloured white wine with golden green reflections, clean and transparent, with a medium density in the glass. The nose gives off clean fragrance, with white flowers and ripe vine fruit, on a penetrating mineral aroma. In the mouth it is enveloping, with a firm and balanced step, and with an apple touch and an unctuous memory of pastries. Vegetable finish, it is a complex and pleasant round wine.

*A vintage white wine,  
complex, with body and  
structure.*
